

QC Service

PI: _____

Date: _____

Contact name: _____

Grant or PO#: _____

E-mail: _____

Phone#: _____

- Please e-mail the GEC at gecinfo@biotech.wisc.edu to set up a time to submit samples.
- Sample tubes must be clearly labeled with sample name, date and PI's last name. Submit **at least** 3uL of each sample.
- E-mail completed copies of this form and the accompanying [sample information spreadsheet](#) to gecinfo@biotech.wisc.edu before you submit your samples.

Service type:

Standard (Quantification + Quality analysis)

Nanodrop Only

Qubit (RNA) (must submit a minimum of 5 uL if adding Qubit analysis to the standard analysis)

Qubit (DNA)

Please complete sections 1-7.

1) Name of organism: _____

2) Number of samples: _____

3) Sample type:

Total RNA

mRNA (check this if you have enriched for mRNA over other RNA types)

DNA

4) RNA DNase treated?

Yes

No

5) Isolation method: _____

6) Sample buffer: _____ (if not water, please supply an aliquot)

7) After QC (check one):

Please dispose of my samples

Hold for downstream applications
